INFORMATIK

Welcome DKE & DE Master Students

Who am I?

Claudia Krull

- PD at the group
Simulation and Modelling
- International Student Coordinator

Vita:

- Computer Science Diplom 2003
- PhD in 2008

Contact:

- claudia.krull@ovgu.de

Studying a Masters Degree

We are preparing you for independent scientific work!

We expect you to be able to do the following:

- Find your personal area of interest
... and choose your courses accordingly
- Motivate yourself to work on the material
- Prepare thoroughly for classes and exams
- Acquire preliminary knowledge and skills you are lacking
- Ask, if something is unclear
BUT! Carefully read the webpages provided before asking
- State your honest opinion, when you are asked
- Disagree with your lecturer, when appropriate
- Program, or learn how to do it a.s.a.p.!

Courses and Modules

How to choose courses?

- Check your *Study & Examination Regulations* to find out how many courses in which areas you need
- Check the *Module List & Module Handbook* for assignments of courses to areas
Study documents: <https://tinyurl.com/yxa3tdqk>
- Check the LSF for available courses lsf.ovgu.de
- Also pay attention to: language, prerequisites, schedule

How to register for courses?

- USUALLY – Not at all, most of the time
CURRENTLY – Mostly through LSF, for first contact and information (or elearning, email, etc.)
- Find registration information in LSF or on course website
- You however MUST register for exams!

Taking Exams

What type of exams are there?

- Written examination *„schriftliche Prüfung“*
- Oral examination *„mündliche Prüfung“*
- Presentation *„Referat“*
- Report *„Hausarbeit“*
- Scientific Project *„Wiss. Projekt“*

Important:

- Register in time / within the registration period
- If you fail, you can repeat an exam at most twice
- If you fail an exam a third time, you fail your studies
- You **MUST** repeat any exam you started until pass/fail
- You can drop **ONE** exam that you have started and not finished yet

Recording of Lectures is illegal

Without the explicit consent of the presenter, recording a presentation, lecture or talk is illegal. Passing it on to others and publishing it on the internet is also illegal.

Both are punishable by law!

Reasons:

- Copyright (*Urheberrecht*, UrhG)
- Personal Rights, more specifically, the right to determine who hears what I am saying. (*Recht am gesprochenen Wort*, BGB, StGB)
- Personal Rights, Right to your own picture. (*Recht am eigenen Bild*, BGB, StGB)

Support Internationals @ FIN

Project at the faculty of computer science, combining efforts to assist international students at all levels

PPSW – Soft Skill Course for Masters

Principles and Practices of Scientific Work & Soft Skills

- Crash Course on Scientific Work and Soft Skills for all international Master Students in English!
- 3 CP for Fundamentals (DKE) or Human Factors (DE)
- **Starts October 19th**
- Responsible: Dr. Claudia Krull & Temitope Akinloye
Tutors: Temitope Akinloye & Saloni Verma
- Find current information on the website:
https://www.sim.ovgu.de/WS+21_22/PPSW.html
- Register via elearning.ovgu.de in the course
WiSe 2021/22 / FIN / ISG / PPSW

NOTE:

If you enroll for your study course after that, you can still participate! **Make sure to check the website!**

Mentoring

Farafin (faculty student council) has a mentoring program for international Masters

- We have a group of students from both courses, who study the same thing you do, and have been here for at least 1 Semester.
- The mentors organize several (online) events throughout the semester.
- They are your most important source of information.
- You can get into contact with your Mentors online
 - www.inf.ovgu.de/inf/en/Study/Being+a+student/Incoming/Mentors.html
 - erstsemester.farafin.de/was-ist-das-mentoring

Have a question?
Want to be understood?
Don't like something?
